Grievance Form

What is a grievance?

A grievance is a complaint, either written or oral, expressing dissatisfaction with service delivery or the quality of care furnished.

Who can submit a grievance?

Grievances may be submitted by participants, their family members, or their designated representatives. Grievances may be medical or non-medical in nature.

How do you file a grievance?

To file a grievance, you may complete this form and drop it into one of the locked grievances boxes located at the front desk, day center, clinic, or rehabilitation gym, or email the completed form to us at 1Quality@RMHCare.org. You may also request that a staff member assist you with completing the grievance form.

How will my concern(s) be addressed?

Once the grievance is received by the Quality and Compliance department, an associate will be assigned to address your concerns. That associate will provide a response to you within 30 calendar days unless an extension is made due to extenuating circumstances. During the process of resolving the grievance, Rocky Mountain Program for All-inclusive Care for the Elderly will continue to furnish all required services to the participant.

Who will know that I filed a grievance?

Grievances are maintained confidentially by the Quality and Compliance Department. Information will only be shared with the permission of the participant or designated representative.
